

**BRUNING-DAVENPORT**  
— BEEF BOOSTERS —

# *Bruning-Davenport Beef Boosters Program*

***Together companies, businesses, and patrons have made a commitment to bring healthy, nutritious, flavorful beef to the students of Bruning-Davenport. This program will provide educational components to help students understand the nutritional value of beef, an understanding of crop production and the feed raised to feed the animals, as well as an understanding of farm to fork.***

## **GOAL**

To provide healthy, nutritious, flavorful beef to the students of the Bruning-Davenport school and educate them on the benefits of healthy eating, how animals are raised, and the crop production practices used to raise feed for the animals with the monetary donations from companies, businesses, and patrons.

Our goal is to procure commitments to the program that will sustain this effort for 3 years. We estimate the need to be a total of \$25,000 to cover the costs associated with this effort.

## **STUDENT BENEFITS**

- High-quality, good tasting, Nebraska raised beef for lunch.
- Opportunities to learn about nutrition and lifelong healthy eating habits.
- Students' names will be entered in a monthly drawing for charburgers and beef drafts to be used at Bruning Grocery.
- Gain an understanding of the importance of animal and crop production in Nebraska and in our world.

## **SCHOOL BENEFITS**

- The school will be serving Nebraska grown beef two times per week. Processed beef will be in the form of ground beef, roasts, stew meat, and deli meat. Serving sizes will not be affected by this program; those are set by the government.
- School administration, the school board, and cooks are all in support of this program.
- The program will provide students an opportunity to see firsthand the impact of the beef industry and crop production in Nebraska, and gain an understanding of how each functions in our communities. It also directly relates to our current Agricultural Education classes and FFA program.
- Money the school will be saving by implementing this program will go towards supporting the FFA greenhouse in their efforts to grow produce for the salad bar and for purchasing other food items locally whenever possible.

## WAYS TO GET INVOLVED

Monetary donations can be made to the Bruning Community Foundation or the Davenport Community Foundation in the name of the Bruning-Davenport Beef Booster Club. Whichever foundation you choose, all monetary donations are tax deductible. The purpose of these accounts includes, but is not limited to, covering the costs associated with purchasing and processing meat, meeting nutritional and educational expenses, and product promotion.

## DONATIONS

Monetary donations can be made to the Bruning Community Foundation or the Davenport Community Foundation in the name of the Bruning-Davenport Beef Booster Club. The purpose of these accounts includes, but is not limited to, covering the costs of purchasing market beef from McLean Beef and processing the meat, meeting nutritional and educational expenses, and product promotion. **Monetary donations are tax deductible.**

## RECOGNITION PROGRAM

- Donors will be invited to a program kickoff hamburger feed at the school each year.
- Donors will receive a program window sticker and be recognized in the school newsletter and on the website.
- Donors will have their name(s) listed on a program banner that will be displayed in both schools.

Cattle Baron	\$2,000 and up
Prime Donor	\$1,000 - \$1,999
Choice Donor	\$500 - \$999
Select Donor	\$50 - \$499

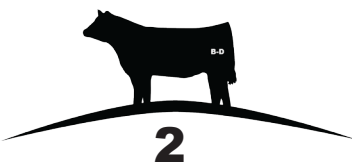

**ALL LEVELS OF SUPPORT ARE WELCOME AND APPRECIATED!**

## CONTACT INFORMATION

- **Gina Hudson** (402) 469-3157 or hudsonfarms\_68315@yahoo.com
- **Mark Jagels** (402) 469-3373 or jagelsfarms@gmail.com
- **Dr. Trudy Clark** (402) 364-2225 or tclark@bdstorm.org
- **Erik Sokol** (402) 353-4685 or esokol@bdstorm.org

Supported by Nebraska Cattlemen, Nebraska Cattlegirls, Nebraska Beef Council, and Thayer County Livestock Feeders.

***The goal of the Bruning-Davenport Beef Booster Club is to hold the inaugural kickoff event on January 8, 2016.***
